Geography		Music	History	Other ...	Computing
In geography, children will learn about how rivers are formed and the impact to a river during different seasons. They will also use the vocabulary of rivers to discuss the process of rivers and what happens in each process overtime. Children will also understand how waterfalls are formed and look at different waterfalls around the world. 		Charanga Three Little Birds Reggae Song Reggae and animals Pulse, rhythm and pitch, dancing and singing. 	History links will be made throughout this topic to look at how rivers have physically changed over time. The children will also learn about how civilizations throughout history have used rivers in their day to day lives.	Handwriting: Pre recorded handwriting lessons will be delivered each week. Spanish: Spanish is delivered on a weekly bases. TT rockstars: Children should practise their timetables on a daily basis. Sundog: All children can access sundog at home and in school and should play daily to improve fluency in maths.	Children will be using various websites during their time in lockdown, they will be learning to navigate teams as well as using dojo, vimeo and their usual home learning sites. Lessons will take place on Microsoft Teams. Children will learn to follow instructions and etiquette.
