

Year Group 5		Term Spring 1	Number of Weeks	Trips and Enhancements	
Mr Hoban & Miss Davies		Over the 6 weeks, the children will access the majority of their writing and maths lessons live via Microsoft teams. All information is shared via class dojo. Lessons that are not live through Teams will be presented through vimeo, PPT or PDF. Teachers are available throughout the school day on ClassDojo. All Year 5 children will have access to their Horizons ipads during this half term.		Children's mental Health week: WB 01st Feb

Jigsaw Dreams and Goals Jobs and income & Healthy me influences and peer pressure. 9 habits Hopeful Self-controlled Assemblies inspired by the life and work of David Attenborough.	How To Train Your Dragon  We will be rewriting the story and looking in detail at the characters and setting. Using resources from The Oak Academy	Spelling Shed 1. Words ending in '-ably' and '-ibly.' 2. Challenge Words 3. Words ending in '-able.' If this is being added to a root word ending in -ce or -ge then the e after the c or g is kept otherwise they would be said with their hard sounds as in cap and gap. 4. Adverbs of time. 5. Adding suffixes beginning with vowel letters to words ending in -fer. 6. Words with 'silent' letters at the start.	White Rose **See abridged curriculum for 2020-21** White Rose work books can be used at home or in school Multiplication and Division Multiply 2, 3 & 4 digits by 1 and then 2 digits. Divide 2,3 & 4 digit numbers by 1 digit with remainders. Fractions Equivalent fractions Converting improper fractions to mixed numbers Converting mixed numbers into improper fractions.	Complete PE Indoor: Games – Rugby Children learn to miss pass and loop pass. Learn how to work as team whilst tagging. They use defending tactics and formations to prevent attackers from scoring. Outdoor: Games – Hockey Refine dribbling and passing skills, combine these to create an attack that results in a shooting opportunity.	Engage Science Children will start their unit Looking at Earth and Space. Children will be learning all about the Sun, Earth and Moon and how they rotate. Additionally, we will be learning about day and night and how that takes place. The children will create their own video to explain all about our solar system.
Geography	Music	History	Other ...	Computing	
In our Geography topic this half term the children will look at how earthquakes and volcanoes are created. They will also be looking at what type of earthquakes and volcanoes there are, where they are located and the impact they have in society. This will link to our earth and space topic in Science. 	Charanga A Pop Ballad sung by Adele. Make you feel my love Pop Pulse, rhythm and pitch, dancing and singing. 	Children will look at patterns of Earth quakes over time and look at historically significant Earth quakes and volcanoes around the world.	Handwriting: Pre recorded handwriting lessons will be delivered each week. Spanish: Spanish is delivered on a weekly bases. TT rockstars: Children should practise their timetables on a daily basis. Sundog: All children can access sundog at home and in school and should play daily to improve fluency in maths.	Home learning skills Use search technologies effectively, understand how results are selected and ranked, and be discerning in evaluating digital content. Using search engines to collect information about a project. Use technology safely, respectfully and responsibly; recognise acceptable and unacceptable behaviour; identify a range of ways to report concerns about content and contact.
