

Year Group 5		Term Spring 2	Number of Weeks 6	Trips and Enhancements	
Mr Hoban & Miss Davies		When working from home, the children will access the majority of their writing and maths lessons live via Microsoft teams. All information is shared via class dojo. Lessons that are not live through Teams will be presented through vimeo, PPT or PDF. Teachers are available throughout the school day on ClassDojo. All Year 5 children now have Horizons I pads that will enhance their learning both in school and at home.		DT day linked to topic British science week 5 th – 14 th March	
Theme		History: Achievements from the past and the impact on our lives – THE ANCIENT GREEKS			
RE & PSHE	Writing	Spelling	Maths	PE	Science
<p>If God is everywhere, why go to a place of worship?</p> <p>9 Habits focus: Patience & Humble</p> <p>Assemblies this half term will be based on the inspirational Malala Yousafzai, she has led a remarkable life. She has escaped the Taliban in Pakistan and promoted women's educational worldwide. She is humble, encouraging, motivating and simply an amazing person.</p>	<p>The half term will start by following & using resources from the Oak Academy before moving onto:</p> <p>Percy Jackson and the Lightning Thief by Rick Riordan</p>  <p>Myths/legend – Percy battles a different mythical creature Non-chron report – a historical Greek site</p>	<p>Words with 'silent' letters</p> <p>Challenge Words</p> <p>Words spelled with 'ie' after c.</p> <p>Words with the 'ee' sound spelled ei after c.</p> <p>Words containing the letter string 'ough' where the sound is /aw/.</p> <p>Words containing the letter string 'ough' where the sound is /o/ as in boat or 'ow' as in cow.</p>	<p>White Rose</p> <p>**See abridged curriculum for 2020-21**</p> <p>White Rose work books can be used at home or in school</p> <p>Number: Fractions</p> <p>Number: Decimals and Percentages</p>	<p>Indoor: Games: Handball (Invasion) Learn about when and why different passing styles work well. Create attacks to keep possession and create successful shooting opportunities.</p> <p>Outdoor: Games: Rounders (striking and fielders) Maximise fielders skills and positions, prevent half rounders and think tactically.</p> 	<p>Engage Science</p> <p>Children continue to learn about Earth and Space. They will learn about The Solar System, Night and Day, and Phases of the moon. The children will revisit the ongoing decaying unit and 'check up' on their investigation that has been set up. Towards the end of the half term, the children will move onto the Life Cycles unit where they will begin to observe life cycles.</p>
History		Music	Geography Links	Art & DT	Computing
<p>Children will look at what life was like during Ancient Greece. They will learn about a variety of things which includes the battle between Sparta and Athens, how the democracy in Ancient Greece has impacted our lives today, how sport and inventions in Ancient Greece changed over time and finally they will end the unit researching the end of the Greek civilisation and the role Alexander the Great played.</p> 		<p>The Fresh Prince of BelAir</p> <p>Old-School Hip Hop by Will Smith Pulse, rhythm and pitch, rapping, dancing and singing.</p> 	<p>Children will be able to use maps and atlases to locate Greece, Athens and Sparta.</p> <p>They will look at the physical features of the cities and look at why these were chosen as settlements.</p>	<p>DT day to be inked to the Ancient Greeks</p>	<p>Flat File Databases</p> <p>This unit looks at how a flat-file database can be used to organise data in records. Pupils use tools within a database to order and answer questions about data. They create graphs and charts from their data to help solve problems. They use a real-life database to answer a question, and present their work to others.</p>
