<b>History</b>		<b>Music</b>	<b>Geography Links</b>	<b>Art &amp; DT</b>	<b>Computing</b>
 <p>Children will learn about how the Maya civilization thrived. They will learn about the Maya inventions that we still use today! Our Broadoak historians will learn about religion, agriculture and day to day life of the Maya and will compare to our lifestyles today.</p>		<p><b>You've got a friend</b> You've Got A Friend by Carole King Pulse, rhythm and pitch, dancing and singing.</p> 	<p>Children will refer to their Geography knowledge of continents, and the Americas. They will use maps and Atlases to locate where the Maya civilizations were formed. Children look at the physical features of the land and learn why the Maya chose their location.</p>	<p>DT day related to The Maya</p>	<p><b>Spreadsheets</b> This unit introduces the children to spreadsheets. They will organise data into columns and rows to create a data set. Children will be taught how to apply formulas that include a range of cells, and apply formulas to multiple cells by duplicating them. Learners will use spreadsheets to plan an event and answer questions.</p>
